

1st CEPLAS (Women's) Career Day July 4th, 2013

I. Insights into career opportunities in a scientific environment

With our first CEPLAS (Women's) Career Day, we would like to address everybody who is interested to learn more about future job opportunities in a scientific framework. The invited speakers will give insight into academic careers in academia, research management and in industry, as well as into their personal career development.

Location: Lecture Hall 4.30, Institute for Genetics, University of Cologne

Time: 9.30 am – 12.00 am

Programme:

- 9.30 am** **Prof. Dr. Mechthild Tegeder, Washington State University**
(School of Biological Sciences, Field of Study: Plant Molecular Physiology)
- 10.00 am** **Dr. Heike Bock, DFG (German research Foundation), Bonn**
(Programme Officer Research Centres)
- 10.30 – 11 am** **Coffee Break**
- 11.00 am** **Dr. Carola Schade, Qiagen, Hilden**
(Head of Instruments Business Life Sciences, Instruments Marketing)
- 11.30 am** **Dr. Antje Rohde, Bayer CropScience, Ghent**
(Group Leader Crop Genetics)

II. CEPLAS Women's Lunch

Offered exclusively to female Postdocs and PhD Students within CEPLAS.
Registration required (esther.jawurek@uni-koeln.de)!
