

At the institute of Biological Data Science (CEPLAS) in the faculty of Mathematics and Natural Sciences of Heinrich Heine University Düsseldorf a post as a

scientific employee (m/f/d)

(100,00 %, pay grade 13 TV-L)

is to be occupied at the earliest possible date. In accordance with § 2 Abs. 2 of the Act of Academic Fixed-Term Contract (Wissenschaftszeitvertragsgesetz - WissZeitVG), the position is limited to the exercise of a third-party funded project for a period of two years and accordingly until the end of the project.

The Cluster of Excellence on Plant Sciences (CEPLAS) is a joint unit of Heinrich Heine University (HHU) Düsseldorf, University of Cologne, Max Planck Institute for Plant Breeding Research Cologne and Forschungszentrum Jülich.

A significant part of CEPLAS research is based on gaining new knowledge through collaboration and collecting and linking large research data sets. A local infrastructure (HHU-DataHUB) is to be set up for the storage and structured, controlled and sustainable (FAIR) exchange of research data between the institutes and with working groups inside and outside HHU.

Your tasks:

- Setting up the HHU-DataHUB and integrating it with research data management (RDM) services established at HHU
- Supporting researchers in using the HHU-DataHUB
- Interaction with local and national cooperation partners in the field of RDM

Our requirements:

- A completed scientific university education (M.Sc. / Diploma / Magister) in the field of computer science, bioinformatics, life sciences or a comparable discipline
- Experience with Git and Git-based IT solutions and open source solutions
- Good programming skills (e.g. Shell, Python, F#)
- Good interdisciplinary communication skills as well as German and English, both written and spoken
- Ability to work in a team and a service- and solution-oriented way of working

Desirable:

- Experience with system administration and management of IT projects (security, testing, rollout and operation)
- Experience with container-based build environments (e.g. Docker)
- Experience with academic teaching or Training
- Experience with RDM

The pay scale grouping will be, depending on the personal qualification of the applicant, up to pay grade 13 TV-L.

In principle, the employment can also take place part-time, if no compelling official reasons are opposed in an individual case.

Heinrich Heine University Düsseldorf aims at increasing the percentage of employed women. Applications from women will therefore be given preference in cases of equal aptitude, ability and professional achievements unless there are exceptional reasons for choosing another applicant. Applications from suitably qualified severely disabled persons or disabled persons regarded as being of equal status according to Book IX of the German Social Code (SGB – Soziales Gesetzbuch) are encouraged.

Your contact person in case of questions is Dominik Brillhaus; email: brillhaus@hhu.de; phone number: 0211 81 15523.

Please submit your application documents citing reference no. 126.24 – 3.1 until 18.09.2024 preferably by email to

brillhaus@hhu.de

or in writing to:
